1. We have looked through the copy of "Dong Feng" forwarded by Reference A with interest. The advertising is apparently either China-connected or self-promotion for Karsten *D E T T M A N N's enterprises. The articles are lightweight, descending at some points to the level of trip reports by tourists. Nevertheless, "Dong Feng" is a substantial improvement in Dettmann's propaganda activity.

2. The Germans mentioned as contributors were traced without result, except for Dr. Hermann *H U B I G (Ueberlingen). He is probably the same as the Dr. Hermann Hubig, who is the subject of [] and whose last address was Kreis Ueberlingen. Ref B was a complete summary trace on Hubig, who has a strange background for a contributor to a pro-Chinese propaganda operation.
